Shirley Technologies Ltd

Unit 12, Westpoint Enterprise Park,
Clarence Avenue, Trafford Park, Manchester, M17 1QS
United Kingdom

Institute of the International Association
for Research and Testing in the Field of Textile Ecology

The company

Kelheim Fibres GmbH

Regensburger Strasse 109

93309 Kelheim, GERMANY

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 29483**

Tested for harmful substances
according to Oeko-Tex® Standard 100

4432

Shirley

for the following articles:

Undyed (Ecru) viscose fibre, spun dyed viscose fibre and Outlast viscose fibre (Ecru and spun dyed).

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 21.09.2012

Manchester, 23.08.2011
